## CIRCULAR

### Sub: Guidelines for KUHS exam going UG Students to hostels in view of COVID-19 pandemic

As per the guidelines of NMC and Circular from Registrar, KUHS University, we have been directed to commence classes for the 2019 Batch students from 28<sup>th</sup> December 2020 or at the earliest.

In view of the present COVID- 19 pandemic scenario and after discussions with the college council it has been decided to recall 2019 Admission MBBS students staying in campus hostel on 7<sup>th</sup> of December 2020. This early recall has been planned considering the need for students to get enough time for a quarantine and to attend their missed practical sessions and prepare them for the university exam which will be held in February 2021.

As the COVID- 19 protocols are strict the hostel stay facility will be restricted on a priority basis; as per NMC guidelines. Details will be informed in person and you may contact the telephone numbers given below.

It is proposed to commence regular classes by 15<sup>th</sup> of December for the whole batch of students. Arrangements have been made for the smooth return of students to the hostel.

1. All students who will be allotted hostel should directly report to MES Medical College reception on arrival and report to community medicine department for verification from 9 am to 4 pm on 7<sup>th</sup> December.
2. Those students who are abroad and unable to reach on the stipulated date are directed to send a mail to [mesmcp@gmail.com](mailto:mesmcp@gmail.com) regarding their travel plans

### Please note:

1. All students entering the hostel will possess a negative RT- PCR test report from ICMR approved laboratory which should be conducted within 48 hours prior to undertaking their journey and the filled self declaration form (soft/ hard copy)
2. Here in MES Medical College campus, we are taking utmost precautions to ensure the safety of our students. All COVID-19 protocols and procedures/ testing are strictly followed as per the Government regulations from time to time. However, it is extremely important that each student should take care of their own safety by following COVID-19 protocol put forward by the government and the institution, both in hostels as well as in the college. Self declaration forms and institutional guidelines are attached and also published in the college website.

For any Queries please contact

1. For COVID- 19 protocol queries contact Community Medicine Department- 9567436862 (From 9 am to 4 pm)
2. For academic queries contact- 04933289379 (10 am to 3 pm)
